## A. About IIC Institute

- **Vision / Mission of IIC established at the Institute**

Yashoda Technical Campus (YTC), Satara, is one of the leading engineering colleges in Satara, established in 2011, under the guidance of Yashoda Shikshan Prasaarak Mandal (YSPM), Satara. YSPM is dedicated to providing a comprehensive professional environment for engineering and management students, with a focus on academics, industry-oriented training, sports, social, cultural, co-curricular, and extracurricular activities. The institution aims to produce aesthetically sensitive, socially committed, and technologically competent engineers and management professionals. It is approved by the All India Council for Technical Education (AICTE), New Delhi, and the Directorate of Technical Education (DTE), Mumbai, and is affiliated with Dr. Babasaheb Ambedkar Technological University, Lonere, Mumbai, with a NAAC accreditation of B+.

### Vision of the YTC-IIC

Through innovative activities and contributions to the country's social and economic advancement, YTC Institution's Innovation Council (IIC) aims to be a leader in fostering an ecosystem and culture that support start-ups and innovation.

### Mission of the YTC-IIC

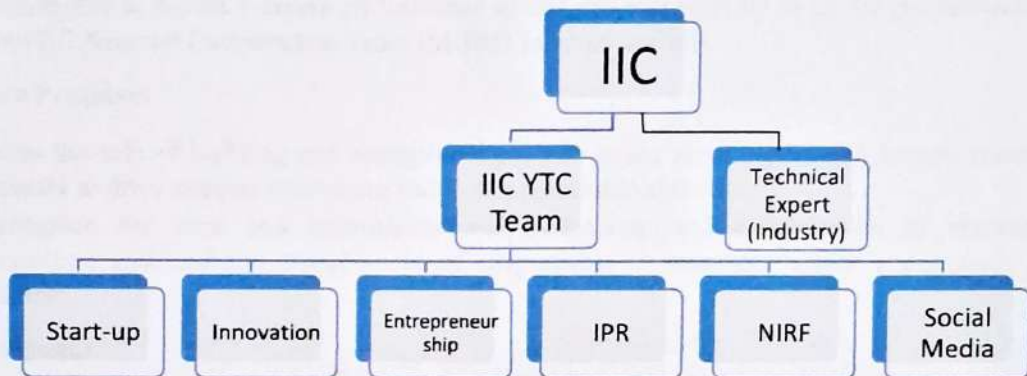

To be a leading institute in developing a culture of Start-up, innovation and encouraging students to participate in activities like idea and experience sharing, networking, mentoring, innovation, and start-up incubation to create an atmosphere that nurtures future business owners.

- **Journey of IIC established at the Institute**

The YTC Institution's Innovation Council (IIC) was established in the academic year 2022-2023 and is currently in its second year of operation. Since its inception, IIC has been actively working towards creating an innovative and entrepreneurial environment at the institute. It organizes various activities to promote start-up culture, innovation, and entrepreneurial skills among students. In its first year, IIC successfully laid the foundation for a thriving innovation ecosystem through workshops, seminars, and networking events. Moving forward, it aims to further strengthen industry linkages and mentorship opportunities for aspiring entrepreneurs.

- **Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units etc.**

The YTC Institution's Innovation Council (IIC) is structured to adoptive innovation and entrepreneurship within the institution. The council comprises an IIC YTC Team and Technical Experts from the industry, ensuring a well-rounded approach to support innovation. The IIC YTC Team is divided into key focus areas: Start-up, Innovation, Entrepreneurship, Intellectual Property Rights (IPR), National Institutional Ranking Framework (NIRF), and Social Media. The Start-up and Innovation divisions focus on nurturing new business ideas and technological advancements. The Entrepreneurship division supports students in developing entrepreneurial skills and business acumen. The IPR section works to create awareness about intellectual property and its significance in safeguarding innovations. NIRF activities are aligned with improving the institutional ranking through innovation-driven initiatives. The Social Media team is responsible for promoting IIC activities and achievements, ensuring outreach and visibility.

In addition, the involvement of a Technical Expert from the industry provides practical insights and mentorship to students, bridging the gap between academics and industry practices. The collaborative efforts of all these divisions aim to create an effective ecosystem for start-ups and innovation at YTC

## B. Brief mention of key functionaries at the IIC Institute

### • **President**

- Holds an important position and is in contact with MIC
- Responsible to ensure a decent performance of IIC and will respond to all the communication from IIC National Coordination Team (MHRD Innovation Cell).

### • **Vice President**

- Takes the role of building and strengthening the in-house mentor pool and human resource capacity to drive campus Innovation and Entrepreneurship activities.
- Strengthen the intra and inter-institutional partnership and collaboration to encourage innovation and enabling environment of easy access to resources within and outside the institute.

### • **Convenor**

- Ensure the participation in the meeting and will prepare the meeting agenda at least 10 days prior, taking valuable inputs from all the council members and President.
- Collect ideas from all the members, Documentation and maintenance of the proceedings like photographs and minutes of the meetings.

### • **Coordinators**

#### **Social Media Coordinator**

- Create and manage the IIC page/account on Facebook, Twitter and YouTube and other relevant social media platforms.
- Post all the relevant information about the council meeting resolution and action plan, IIC activities and follow/tag MIC/IIC page and posts on these platforms.

#### **Start-up Activity Coordinator**

- Identifying and guiding potential/early-stage entrepreneurs, student innovators at the Institute on a regular basis.
- Encourage faculty members and students to pursue research studies related to Entrepreneurship.

#### **IPR Activity Coordinator**

- Organize events on IPR related activities as per IIC calendar and plan awareness programmes on a regular basis.
- Commercialize innovations through technology transfer, technology licensing and Start-ups, etc.

#### **Entrepreneurship and Innovation Coordinator**

- Organize workshops, seminars, and activities to promote entrepreneurship and innovation among students.
- Facilitate networking opportunities between students, faculty, and industry experts to create a culture of innovation.
- Guide students in developing business plans, conducting market research, and executing innovative ideas.
- Encourage and support students and faculty to participate in national and international innovation and entrepreneurship competitions.
- Collaborate with stakeholders to ensure the successful implementation of entrepreneurship and innovation programs.

### Members

- Ensure the Institution's Innovation Council's logo and the words "in association with Institution's Innovation Council, Ministry of Education (MoE), Govt. of India", is included in the brochure without fail for all the academic activities of their respective departments like webinars, seminars and workshops related to Industry Interaction, Start-up, Entrepreneurship, Research and Innovation/Intellectual Property Rights (IPRs).
- Establish Innovation Clubs for students with all the facilities and equipment needed for Innovation and Entrepreneurship (I & E) activities in their respective departments.
- Develop an Innovative and Entrepreneurial mind-set through a series of activities like workshops, awareness, market outreach events, orientation, advocacy meetings, campus Hackathons and networking events (Intra and Inter-institutional, enablers, stakeholders).
- Develop short term certificate courses on Innovation and Entrepreneurship.
- Persuade departments to offer Major or Minor Specializations or credit courses related to Innovation and Entrepreneurship (I & E) and IPR.
- Organize entrepreneurial skill development/employment generating programmes for external participants (local residents, community members, alumni etc.)
- Procure grants from Government and Non-Govt. Bodies towards promoting and supporting innovations.

### C. Portfolio/graphical/Tabular representation of Resource strength (human capital and Physical capital) of the IIC institution

Total No. of IIC Members	15
Total No. of faculty Mentors (From Portal)	00
Incubation Units, If any	01
Total No. of IAs	00
Pre-Incubation Units, If any	01
IP Facilitation Unit, If any	01

### D. Highlight Facilities, Infrastructure of Pre-Incubation & Incubation kind and Student bodies/clubs engaged in promotion of Innovation and Entrepreneurship in the campus.

Yashoda Technical Campus (YTC), Satara offers a range of advanced facilities and infrastructure to support pre-incubation and incubation activities. The campus is equipped with advanced computers featuring upgraded software to aid students in their projects and entrepreneurial ventures. The CNC and manufacturing facility provide hands-on experience with state-of-the-art technology for prototype development. Advanced laboratories allow students to conduct research and experiment with innovative ideas. The Institution's Innovation Council (IIC) serves as a central cell that encourages and nurtures entrepreneurial initiatives among students. Additionally, there are student bodies and clubs actively engaged in promoting innovation and entrepreneurship within the campus. These clubs organize various activities, workshops, and competitions to foster a culture of creativity and enterprise.

Advanced Computer Lab

Advanced CNC Facility

Advanced Computer Lab with upgraded software

Well-equipped Lab

Journal and advanced Informative Lab

Manufacturing Unit

IIC and Incubation Cell

Yashoda Technical Campus has an incubation center that plays a vital role in supporting aspiring entrepreneurs. This facility provides essential resources, mentorship, and guidance to help students turn their innovative ideas into viable start-ups. With access to advanced technology and industry expertise, students can develop their projects effectively. The incubation center fosters a collaborative environment, encouraging creativity and practical problem-solving among participants.

### E. Highlight Achievements (Narrative/Graphical/tabular representation)

Number and Different types of I&E and IPR activities Conducted	14
No. of student's & faculty ideas generated	10
No. of student's & faculty Innovation/prototypes developed	14
No. of IPs generated, published and granted	17
No. of Student & Faculty Start-ups/Ventures established.	Nil
Amount spent on promotion and awareness generation on Innovation Entrepreneurship in the campus	Rs. 10,000
Amount grant or fund supported to student & Faculty lead Innovations, start-ups and IPR	Rs. 1,35,000
No. of Technology Transfer and Commercialisation happened	Nil

### F. Highlight few best IIC Faculty/Student members and their achievements/ Rewarded for the innovations at different forum

Nil

### G. Highlight selected best Innovations & images with mention of inventor/innovation name

Students Deep Pawar and team at Yashoda Technical Campus have developed an **innovative battery-operated motorcycle** at an economical cost. The project aims to provide an affordable and eco-friendly transportation solution to reduce carbon emissions. The motorcycle features a compact design, optimized battery capacity, and a cost-effective powertrain to

make it accessible to a wider audience. The team focused on minimizing manufacturing costs while ensuring a decent range and performance for urban commuting. This project reflects the students' commitment to sustainability and innovation in the field of electric mobility.

A team led by Satish Raut sir, including Shivrak Sakate and others, **developed an innovative vaccine carrier.** This carrier maintains temperatures between 0 to 10 degrees, ideal for transporting vaccines. It is particularly useful for rural areas where maintaining cold chain logistics is challenging. The project aims to facilitate effective vaccination efforts, ensuring that vaccines remain potent. This innovation is a society-focused initiative that addresses a critical healthcare need in underserved communities.

#### H. Highlight selected start-ups established by students/faculties with mention of founder/cofounder name

Nil

#### I. List if any break through Innovations / Technology Developed at the institute (2-3 technology with 2-3 lines about technology and innovation

Nil

#### J. Participation of IIC-institute in various programs of Central and Stage Govt. Highlighting specially for the schemes or programs

- Smart India Hackathon- 12 teams Participating in SIH 2024

## L. Testimonials from IIC members and external about IIC institute and IIC of MoE's Innovation Cell

Prof. Ajinkya Sagare, IIC Council President

As the President of the YTC Institution's Innovation Council (IIC), I am proud to lead a team dedicated to fostering a culture of innovation and entrepreneurship. Our council is committed to providing students with the necessary resources and mentorship to transform their ideas into viable start-ups. We actively engage with industry experts to bridge the gap between academia and the business world. The IIC serves as a platform for students to showcase their innovative projects and collaborate on real-world challenges. Together, we are building a vibrant ecosystem that encourages creativity and practical solutions.

Dr. Santosh Itraj, Vice President

In my role as Vice President of the IIC, I focus on empowering students to pursue their entrepreneurial aspirations. We provide training sessions and workshops that equip students with the skills needed to succeed in the competitive business landscape. Our collaboration with industry professionals ensures that students receive valuable insights and guidance. The IIC's initiatives have led to increased participation in innovation-related activities, creating a dynamic environment for learning. I am excited to see our students thrive as they embark on their entrepreneurial journeys.

Dr. Vikram Patil, Principal

As the Principal of YTC, I fully support the mission of the IIC in fostering innovation and entrepreneurship. The council plays a crucial role in enhancing the educational experience by integrating practical learning with academic knowledge. I am proud to see our students engage actively in projects that address real societal challenges, particularly in the healthcare sector. The IIC has also strengthened our ties with local industries, facilitating mentorship opportunities for students. Together, we are committed to nurturing the next generation of innovative leaders.

Prof. Vasim Maner, Convener

As the Convener of the IIC, I oversee the planning and execution of various initiatives aimed at promoting innovation among students. We strive to create an inclusive environment where students feel encouraged to share their ideas and collaborate on projects. The council organizes competitions, hackathons, and workshops that challenge students to think critically and creatively. Our focus on community engagement ensures that our projects have a meaningful impact on society. I am thrilled to witness the passion and enthusiasm of our students as they embark on their entrepreneurial endeavors.

Mr. Prasanna Banwat, CMD, Oracle Presscomps, Satara

As an external council member, I am honored to be part of the YTC IIC and contribute to its mission of fostering innovation. The collaborative efforts between industry and academia are essential for bridging the gap between theoretical knowledge and practical application. I am impressed by the talent and creativity exhibited by the students at YTC, especially in their innovative projects. This partnership allows us to share insights and resources, ultimately benefiting both the students and the community. I look forward to seeing the impact of our collective efforts in shaping future entrepreneurs.

Mr. Lunawat Sudip, MD, Elvat Sales, Satara

Joining the YTC IIC as an external council member has been a rewarding experience for me. I am impressed by the commitment of the council to nurturing innovative ideas and supporting student initiatives. The collaboration between industry professionals and students fosters a unique learning environment that encourages practical problem-solving. I believe that by working together, we can help students transform their innovative concepts into successful ventures. I am excited to witness the growth and success of these aspiring entrepreneurs as they contribute to society.
