Report

Date: 22nd March 2022

Time: 11:00 AM

As a part of celebration of Azadi ka Amrit mahotsav, Faculty of Engineering arranged a guest lecture on Environmental Preservation Awareness on Tuesday, 22/02/22.

Mr. Soham Kulkarni and Mr. Akshay Puranik from Sagar Mitra Abhiyaan presented the dangers caused by neglegent disposal of plastic and its recycling. The students were informed about the work carried out by Sagar Mitra along with Swechhandi, V care and Robinhood army. Mr.Soham Kulkarni shared his thoughts about plastic accumulating in our oceans and on our beaches has become a global crisis. Billions of pounds of plastic can be found in swirling convergences that make up about 40 percent of the world's ocean surfaces. Plastics pollution has a direct and deadly effect on wildlife. Thousands of seabirds and sea turtles, seals and other marine mammals are killed each year after ingesting plastic or getting entangled in it. Sagar Mitra have solution on this waste plastic. Student took pledge about reducing the usage of plastic in day to day life. Director Dr. V. K. Redasani, Mr. R. D. Mohite, Dr. Mrs. R. P. Kulkarni and all the staff members of Engineering and Pharmacy alongwith Engg and pharmacy student were present for the lecture. Mr. P.P. Nimbalkar coordinated the activity. Mr. P. G. Ideas@75- Project Exhibition

To celebrate, Azadi ka Amrit Mahotsav-Ideas @ 75, Yashoda Technical Campus Satara, organized Project Exhibition to create awareness about Digital India on 11/04/2022.

In this Project Exhibition 16 groups are participated from various departments like Electrical, Civil, Mechanical, CSE, ETC and Pharmacy. Some students created demo projects of innovative ideas and some groups are shared their innovative ideas through posters.

04 groups are impressed all through their innovative ideas. First project is Automatic Car Parking system using Arduino, where students used IR at the Entry Point, Parking Slots and Exit Point. By using these sensors they displayed availability of parking slot to LCD display.

Second project is Password Based Circuit Breaker Using Arduino for Line Man Safety. In this project, students developed such system where by using password we can break electrical circuit for line man safety.

Third project is E waste Management system where students developed website for E waste Management system.

Fourth project is Simple Air; First Year Student developed such a device which can be used to fill air in the tube by using exhaust carbon in case of emergency.

Project Exhibition is inaugurated by Mrs. Dr. R. P. Kulkarni Principal of Engineering and Polytechnic.

Education Policy Session Under NSS AND

AZADI KA AMRIT MAHOTSAV

Report

Date: 06th June 2022

Time: 11:00 AM

As a part of celebration of Azadi ka Amrit mahotsav, Yashoda Technical Campus arranged a guest lecture on Education Policy on Monday, 06/06/2022. Prof. R.D.Mohite introduce and felicitate the guest by hands Cheirman Hon D.B. Sagare sir.

Chief Guest Dr.Abhay Wagh Director, Directorate of Technical Education, Maharashtra State, and Mumbai deliver the speech on previous education policy and current new National Education Policy in India.

The National Education Policy (NEP) 2020 was released on July 30, 2020. The Ministry of Human Resource Development (MHRD) had constituted a Committee for drafting the National Education Policy in June 2017

Dr. Abhay Wagh says Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development. Providing universal access to quality education is the key to India's continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world. India will have the highest population of young people in the world over the next decade, and our ability to provide high-quality educational opportunities to them will determine the future of our country.

The gap between the current state of learning outcomes and what is required must be bridged through undertaking major reforms that bring the highest quality, equity, and integrity into the system, from early childhood care and education through higher education. The aim must be for India to have an education system by 2040 that is second to none, with

equitable access to the highest-quality education for all learners regardless of social or economic background.

On focusing new education policy Dr.Abhay Wagh said new education policy must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and underrepresented groups. Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various targeted opportunities to enter and excel in the educational system.

Chairman Prof.Sagare Sir, Prof.R. D. Mohite, Dr. D.S.Badkar and all the staff members of Engineering and Pharmacy alongwith Engg and pharmacy student were present for the lecture. Mr. P.P. Nimbalkar and Mr. P. G. Borate coordinated the activity. Mr. G, Survase concluded the program with vote of thanks.

Report on YOGA for Students

June 21, 2022: International Yoga Day was celebrated with full spirit and joy in the Yashoda Technical Campus, Satara. In the morning, there was a 1hr Mass Yoga session for the teacher of Yashoda Technical Campus. A formal programme was conducted during college working hours. Director was the chief Guest of the event. The International Yoga Day was organized at Faculty of MBA with the theme named "Yog for Students" A sum of 40 students comprising both Boys and Girl students of Faculty of MBA demonstrated Surya Namaskar, Various asanas of Yoga showing the strength of Yoga and the flexibility attained on doing it. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling a Students mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for student's body from the way it feels, look and move. Dr. R. R. Chavan conducted the activity and inspired students to do yoga as a regular practice.
